

## FLORIDA CHAPTER . . . NATIONAL CORVETTE RESTORERS SOCIETY

For the preservation and restoration of Corvettes

February 7, 2011

Dear John,

Please accept our congratulations on your recent Top Flight award. Enclosed with this letter you will find your judging sheets and certificate from the 33<sup>rd</sup> Annual Winter Regional Meet at Old Town, Kissimmee. On behalf of the Florida Chapter and the Meet Committee, we would like to thank you for bringing your car to our Regional Winter Meet.

We were again fortunate as far as weather was concerned, and I'm certain you will agree we had a very impressive field of Flight, Performance Verification and various display corvettes. Every year the cars get better and better!

A great part of the continuing success of the Florida Chapter meet is due to you, the car owner, who year after year take the time, effort, and expense to bring your corvette to Old Town. We want you to know that this is greatly appreciated, especially this year with the economy being less than favorable for many people.

Work has already started for the 34<sup>th</sup> Annual Winter meet, which is scheduled for January 25<sup>th</sup> through 28<sup>th</sup>, 2012. We hope you will plan to join us.

Again, congratulations and have a great and safe corvette year.

Sincerely,

Thom E. Warren, Sr.  
Judging Chairman, Florida Chapter  
Chief Judge, 2011 Florida Winter Regional Meet
